FACILITATING MANUFACTURING, PROCESSING AND TRADING OF GLASS IN KENYA

Kenya Glass is a biennial dedicated event for the glass industry which showcases technology, materials and refractories for the container, flat and processed glass products in Kenya. Kenya Glass is brought to you by the organiser of Gulf Glass – largest dedicated Glass event in the Middle East and The Big 5 – the largest building and construction event in the Middle East.

We have a network of 40 agents worldwide, a local office with on the ground expertise, a dedicated marketing and database team and a strong network of industry advocates and government bodies. Kenya Glass gives you direct access to thousands of serious buyers actively seeking new and innovative glass products.
